CUDA®

TACTICAL ARMORED APC TRUCK

The Cuda® is the next generation of light armored tactical truck. Combining unparalleled ballistic protection, state-of-the-art engineering and menacing styling it will put itself in the line of fire so your team doesn't have to. Designed to be easily customized and highly-maneuverable, the Cuda® is fit for any mission from law enforcement and military to national security and fighting the war on terror.
