KEY FEATURES

PERFORMANCE

Engine: V6 biturbo, V6 biturbo with EQ Power plug-in hybrid electric motor, V8 biturbo, or handcrafted AMG V8 biturbo or V12 biturbo

Transmission: 9G-TRONIC, AMG SPEEDSHIFT® MCT 9-speed, or AMG SPEEDSHIFT TCT 7-speed, all with shift paddles

DYNAMIC SELECT drive modes

Rear-wheel drive, 4MATIC® all-wheel drive, or AMG Performance 4MATIC+*

Self-leveling suspensions: Adaptive AIRMATIC®, AMG Adaptive Sport based on AIRMATIC (S 63), or AMG Active Sport based on MAGIC BODY CONTROL® w/CURVE function (S 65)

ECO Start/Stop system

DESIGN

100% LED lighting inside and out, with Intelligent Light System active headlamps, “stardust” taillamps, 64-color ambient cabin lighting

18" to 20" alloy wheels*¹

Panorama roof (sedans, coupes) with MAGIC SKY CONTROL®,* or 3-layer acoustic fabric power soft top (cabriolets)

AMG Line Exterior (S 450, S 560); and AMG Aerodynamics, Carbon Fiber and Night Styling Packages*

A wide selection fine cabin trims from high-gloss and natural grain woods to AMG carbon fiber*

SAFETY

Intelligent Drive driver assistance suite, including Active Distance Assist DISTRONIC®, Active Brake Assist with Cross-Traffic Function, Active Lane Change Assist, Active Speed Limit Assist, Evasive Steering Assist, PRE-SAFE PLUS, and more*

Rearview camera, or multicamera Surround View System*

Car-to-X Communication

Radar-based Active Brake Assist collision mitigation, Blind Spot Assist, Active Lane Keeping Assist, PRE-SAFE® Sound hearing protection technology, ATTENTION ASSIST®

Mercedes-Benz Emergency Call

Pop-up roll bars² (Cabriolets)

LUXURY

A spectrum of hand-fitted leather upholsteries, including *designo* Nappa or semi-aniline leather*

Power-adjustable, heated, ventilated and massaging front and rear seats; heated armrests and steering wheel*

Dual-zone or 4-zone* climate control with dust/odor filters and ionizer*

ENERGIZING Comfort orchestrates sound, lighting, fragrance, seating and climate comfort features*

KEYLESS-GO®, hands-free trunklid

Burmester® Surround Sound or High-End 3D Surround Sound*

AIRSCARF® system (cabriolets)

Rear-cabin refrigerator (Sedans)*

TECHNOLOGY

Dual 12.3" color screens for instruments and COMAND® system with navigation, multimedia, Apple CarPlay™ and Android Auto

Touch Control Buttons on steering wheel, and touchpad in console

Head-Up Display*

Wireless phone charging*

Mercedes me connect featuring smartphone app with Remote Start, 4G LTE WiFi,* and more³

Hands-free Active Parking Assist

MAGIC VISION CONTROL® heated wiper/washer system

AMG DRIVE UNIT performance controls on steering wheel*

*Optional or not available on some models. Please see back of brochure.

With more than 100,000 patents, Mercedes-Benz has repeatedly redefined where all cars will go next. It's why the S-Class might be the only car in the world that aspires only to outdo itself.

THEIR ONLY OPTION IS TO SET
THE STANDARD

Leadership with a comfortable lead

Any luxury car can assert that it's comfortable. At least to ride in. The S-Class is comfortable in many additional ways. It's at ease when the road turns. Composed when the weather turns. And with a combination of foresight and fortitude, it's in its element if a situation turns for the worse. It all comes from an unwavering commitment to lead by example, and comfort you like no other car.

Breadth of choice, depth of character

While much of what defines an S-Class is singular, even superlative, it offers a choice of 11 models in three body types—spacious sedan, sleek coupe, or soft-top cabriolet. All have biturbo power—with six, eight or 12 cylinders, or six plus an electric motor. And all meld modern with timeless—raising the state of the art, and of the artisan.

S-Class models

S450/S450 4MATIC Sedan
362-hp V6 biturbo

S560 Sedan, Cabriolet
S560 4MATIC Sedan, Coupe
463-hp V8 biturbo

S560e Sedan
469-hp (combined) V6 biturbo +
plug-in hybrid electric motor

AMG S 63 Sedan, Coupe, Cabriolet
Handcrafted 603-hp AMG V8 biturbo

AMG S 65 Sedan
Handcrafted 621-hp AMG V12 biturbo

WHERE EVERY SENSE GETS A **SENSATION**

Seamlessness from a thousand stitches

Leather, wood and metal flow together in a cabin that's as sculptural as it is spacious. Beyond impeccable, the details approach impossibly precise: Stitching that runs around the perforations. Drilled metal speaker grilles that redefine audiovisual. And multiple zones of LED ambient lighting with 64 colors to choose and combine.

Ambiance you can tailor for yourself

ENERGIZING Comfort orchestrates front-seat heating, ventilation and massage options with ambient lighting, climate settings, fragrance and music. Pioneered by the S-Class, it offers a range of programs that can help rejuvenate, revitalize or relax you in body and spirit.

Whether you inspect them up close or sit back and take it all in, the cabin's details are crafted to reward all your senses – especially your sense of style.

Luxury highlights

Heated front seats with ventilation* and "hot stone" massage*

Multiple rear seating configurations* for Sedans, including Executive right seat or dual seats with folding tables

Burmester® Surround Sound, or Burmester High-End 3D Surround Sound with up to 26 speakers*

AIRSCARF® neck-level heating, intelligent climate control (cabriolets)

Panorama roof, with MAGIC SKY CONTROL® electronically variable tint* (sedans, coupes)

*Optional or not available on some models. Please see back of brochure.

WATCHFULNESS IS A CONSTANT

Advancements to protect your future

Mercedes-Benz engineers have spent decades preparing for events they hope you'll never experience. Car-to-X Communication⁴ lets your S-Class learn about hazards ahead and help notify others. If an impact is sensed as imminent, PRE-SAFE[®] Sound can emit a special tone to trigger your ears' natural defenses before a loud crash.⁵

Innovations to flow with the present

An available suite of driver assists⁶ lets you change lanes with a tap of a turn signal, uses GPS to help the cruise control slow for tolls or exits, watches the speed limit, and more. It can also help you execute an evasive move, and prepare for an impending front or rear impact.

Safety highlights

Radar-based Active Brake Assist frontal collision mitigation, PRE-SAFE

Active Parking Assist,⁷ Blind Spot Assist with Exit Warning Assist⁸

Rearview camera or multicamera Surround View System⁹

Driver Assistance Package* with Active Distance Assist DISTRONIC[®] cruise control; Route-based Speed Adaptation; Evasive Steering Assist; Active Blind Spot, Emergency Stop, Lane Change, Speed Limit and Steering Assists; and more

Pop-up roll bars (Cabriolets)²

An advanced network of sensors watches ahead and around you. S-Class safety innovations peer into the future, to look out for yours.

THOUGHTFULNESS MAKES IT ADAPTABLE

Seamless connections, multiple options

Dual 12.3" screens team with a console touchpad and Touch Control Buttons on the steering wheel, for clear display of information and intuitive control of audio, navigation¹⁰ and comfort settings. You can also control a wide array of cockpit features—from navigation to audio to turning on the heated seats—with your voice.

Variable visuals, custom-tailored sound

The digital instrument cluster lets you reconfigure its displays and change gauge styles. Germany's renowned Burmester has created two surround sound systems for the S-Class: a 13-speaker digital system, or an analog/digital High-End 3D system* with up to 26 speakers.

Human-focused tech expands what your hands and voice can perform. And elevates what your eyes and ears can perceive.

Technology highlights

Dual 12.3" displays for instruments and COMAND[®] navigation/audio, touchpad controller, and steering-wheel Touch Control Buttons

Head-Up Display*¹¹

Apple CarPlay[™] and Android Auto¹²

HD Radio[®] stations, Bluetooth[®] audio streaming, SiriusXM,^{*13} and in-car WiFi* with TuneIn Radio^{®3}

Wireless charging and NFC pairing¹⁴

Burmester[®] Surround Sound or High-End 3D Surround Sound System*

*Optional or not available on some models. Please see back of brochure.

OPTION PACKAGES

PREMIUM PACKAGE

Ventilated front seats; active multicontour front seats with “hot stone” massage
Surround View System
Power rear-side window sunshades
ENERGIZING Comfort; Air Balance cabin-air purification and fragrance systems
(All items standard on coupes and cabriolets)

Optional upgrade:
20" AMG 10-spoke wheels
(Available on all S 450 and S 560 models.)

Bring your dream to your driveway

Even with an abundance of standard features, a menu of enticing options lets you create an S-Class that's a perfect fit for your life and your style. Thoughtfully curated option packages—like the selection shown here—make it easy to add the most popular features, or group features that perform even better in concert than they would individually. There's also a wide selection of individual options and Genuine Mercedes-Benz Accessories that help you take the S-Class that's in your dreams and put it in your driveway.

Package contents and standard equipment vary by model. Turn to page 51 or visit MBUSA.com for details.

Other packages

Rear Seat Package
Executive Rear Seat Package
Executive Rear Seat Package PLUS
Driver Assistance Package

Exclusive to AMG models:
AMG Exterior Carbon Fiber Package (AMG models)
AMG Exterior Night Styling Package (AMG models)
AMG Aerodynamics Package (S 63 Coupe)

There are countless ways to make your S-Class a perfect fit from the moment you drive it home. Better yet, with numerous reconfigurable features, you can tailor your S-Class to suit your desires over and over.

Please see endnotes at back of brochure.

Tailored for a perfect fit.

A progressive series of cabin-comfort packages let you make your S-Class an increasingly indulgent haven for its passengers. AMG models also offer special styling options that reflect their rich racing heritage. An array of individual options let you tailor your S-Class precisely to suit your needs and desires. Among them, sedan rear passengers can enjoy a dual-screen, multiple-input entertainment system that also offers easy control of numerous rear-cabin comfort features via on-screen menus and the included wireless remotes.

Package contents and standard equipment vary by model. Turn to page 51 or visit MBUSA.com for details.

Other options

- Night View Assist PLUS
- MAGIC BODY CONTROL® (S 560 Sedan)
- Head-Up Display
- Electrically heated windshield
- MAGIC SKY CONTROL® (sedans, coupes)
- Heated steering wheel
- Burmester® High-End 3D Surround Sound system
- CD player in glovebox (sedans)
- Rear-cabin wireless charging (sedans)
- Headlamps with Swarovski crystal accents (coupes, cabriolets)
- Refrigerator box for rear cabin (sedans, coupes)

Exclusive to AMG models:

- AMG Ceramic Composite Braking System
- AMG Performance steering wheels
- AMG DRIVE UNIT steering-wheel controls (coupes, cabriolets)

AMG EXTERIOR PACKAGES

- Carbon Fiber Package (S63 models and S65):** Carbon fiber front apron “jet-wing” trim, side mirror covers, side-sill and rear apron inserts
- Night Package (S63 models and S65):** Gloss Black exterior accents; black chrome tailpipes
- Aerodynamics Package (S63 Coupe):** Deeper front splitter, rear spoiler, both in carbon fiber

Please see endnotes at back of brochure.

SEDAN REAR SEAT PACKAGES

- Rear Seat Package:** Power right rear footrest; 4-zone climate control; EASY-ADJUST front head restraints
- Executive Rear Seat Package:** Multicontour rear seats with massage; Executive right rear seat; Cushionbag® seat-integrated air bag
- Executive Rear Seat Package Plus:** 4-place seating with dual power rear seats and console; rear folding tables; heated and cooled rear cupholders

REAR SEAT ENTERTAINMENT

- LCD monitors built into front head restraints
 - USB and HDMI inputs
 - Blu-ray® DVD player between rear seats
 - Dual wireless remotes (includes key rear-cabin comfort controls via on-screen menus)
 - Two sets of wireless headphones
- (Available on sedans.)

Composure without compromise

Semi-active AIRMATIC® suspension can adapt for changing roads, passenger and cargo loads, and the driving modes of DYNAMIC SELECT. It helps keep the car level, can lower it to enhance efficiency and stability at speed, and continually adjusts to balance precise handling feel with an air-cushioned ride.

Sumptuousness with support

Heated, power front seats are designed for comfort you can feel right way and enjoy for hours of travel and years of ownership. The Premium Package adds ventilation, rapid heating and multicontour features that can enhance side support in corners, or offer a range of massages including “hot stone” treatments.

Spaciousness is a specialty

Multiple cabin configurations lets passengers make the most of the S-Class sedans’ exceptional legroom. Beyond heating, ventilation, power adjustment and massage options, an Executive right seat adds power calf and footrests. Twin lounge chairs have foldaway writing tables. You can even add a refrigerator box.

Progress with peace of mind

Available driver assists help you de-stress in traffic. Radar/GPS-based cruise control can adapt to posted speeds or slow for an offramp. A tap of a turn signal can expertly perform a lane change. Other systems can watch out for crossing traffic and pedestrians.⁶

Put an S-Class in motion, and you’ll feel elegance become exuberance. And you’ll quickly understand how its greatest tradition is to always advance.

FOR CHANCELLORS, KINGS AND **PRECEDENCE**

The S 450 and S 560 Sedans

There’s a reason so many heads of state have long elected to be driven in an S-Class sedan. And it goes far beyond ample room for their heads, and legs. It’s much the same reason you’ll find champion racecar drivers leaving the track behind the wheel of one. Simply put, there’s likely no other car that leads the way in so many measures of an automobile at once: Innovation in safety, performance and luxury. Elegance in its design, appointments, and its agile, athletic moves. And with an unbroken tradition of redefining what’s new, while remembering what matters.

This is also why so many heads of car companies look to the S-Class for inspiration. For generations, its industry-first features, from adaptive headlamps and intelligent cruise control to ventilated seats and 100% LED lighting, have previewed how all cars will be in the future. S-Class drivers and passengers, however, get to enjoy these firsts, first. Because whether you’re riding like royalty in its spacious rear cabin, or relishing its biturbo torque, crisp handling and available 4MATIC® all-wheel drive, no sedan leads—and leads you to enjoyment—like an S-Class can.

Magnetic attractions

Whether you follow the sun or are guided by stars, the standard Panorama roof offers a grand vista. Available MAGIC SKY CONTROL® adds an entirely different dimension: instant darkening of the roof. Switch it on, and electromagnetic particles align to let light in. Turn it off, and they scatter to block it.

Organic technology

Wafer-thin organic LED elements (OLEDs) turn the taillamps into three-dimensional sculptures of light that change with your viewing angle. The jewel-like nuances of optional Swarovski® crystal accents add further intrigue to the intelligent LED headlamps.

Natural beauty

Supple Nappa leather, notable for its smooth grain, is fitted by hand to all four individually contoured seats. Even more exquisitely crafted *designo* Nappa is available in seven solid and two-tone motifs. All six of your wood trim options are finished by hand.

Functional artistry

Six wheel choices are available in 19" or 20" sizes¹ and a range of styles. Included are an AMG® wheel in each size to complement the even more athletic, aerodynamic and aggressive look that the available AMG Line brings to the coupe's wind-honed design.

The unencumbered view out of an S-Class Coupe also reveals what's enshrouded within. The engineering that can create a body that's both airy and strong, and performance that even passengers can enjoy.

FOR A MORE ENLIGHTENED PERSPECTIVE

The S 560 4MATIC Coupe

If it seems like most cars are a compromise born from a battle between designers, engineers and accountants, the S-Class Coupe is an emphatic exception. For one, the engineers at Mercedes-Benz are quite passionate about styling. One walk around the showroom or a classic car event should make that long-held tradition clear. What you see in the S-Class Coupe—or more importantly, do not see—is further proof. Since 1961, it's been the only car in continuous production with a “pillarless” design. Its four retractable side windows are uninterrupted by

visible framework, for an airy lightness with the windows open or closed. And yet it offers a Mercedes-Benz level of strength and solidity, which might explain its singular longevity. Of course, there's also everything that makes it an S-Class: The groundbreaking innovation in luxury, safety and driving ease. The breathtaking thrust of a 463-hp biturbo V8. The surefooted confidence of 4MATIC® all-wheel drive. And the graceful agility of AIRMATIC® suspension. Invisible strengths define the character of an S-Class, but its powerful allure is there for all to see.
