

LINCOLN NAVIGATOR + L 2011

LINCOLN

Thank you for your interest in the **2011 LINCOLN NAVIGATOR**. Included in this brochure you'll find information about:

DESIGN: The 2011 Lincoln Navigator offers an impressive and strong design stance.

INTERIOR: Luxury and versatility. Heated and cooled front seats, and a PowerFold™ third row seat make seat configurations help all passengers and accompanying cargo travel with ease.

PERFORMANCE: With a flex fuel capable engine and a towing capacity of up to 9,000 lbs., when properly equipped, the Lincoln Navigator is ready when you are.

TECHNOLOGY: SYNC®, Voice-Activated Navigation with SIRIUS Travel Link™, THXII®, rain sensing wipers, and Power Deployable running boards. Technology you can use—on the 2011 Lincoln Navigator.

Get an inside look at the benefits of Lincoln ownership at the Lincoln.com website.

L I N C O L N

MASTER YOUR SURROUNDINGS.

Teamed with a wide-ratio 6-speed automatic transmission, the authoritative **5.4L 3-valve V8 engine** in Lincoln Navigator and Navigator L delivers 310 hp¹ and 365 lb.-ft. of torque. Equally noteworthy is the engine's **deceleration fuel-shut-off tuning**. As you back off on the accelerator when coasting, the system automatically shuts off fuel, helping to use less. At the pump, Navigator even allows for a choice of fuel. **Flex Fuel capability** means it can operate on E85 (85% ethanol/15% gasoline), gasoline, or any blend of the two. So whatever your fuel of choice, its tenacious V8 allows you to pass without pause.

¹320 hp with E85 fuel.

Ingot Silver Metallic. Available equipment shown.

LINCOLN

COMMAND ANY SITUATION.

You will from behind the wheel of a 2011 Lincoln Navigator. Just plot your course with the **standard voice-activated Navigation System** and you're on your way. "It's satisfyingly quiet, smooth riding, and a pleasant break from the rough and tumble world," says *AUTOMOBILE Magazine*. The 1st- and 2nd-row seats are trimmed in premium leather and available in hues of Charcoal Black, Canyon or Stone. Gracing each 1st-row head restraint: an embroidered Lincoln Star. Walnut swirl or olive ash trims each door, the leather-wrapped steering wheel and the instrument panel. Burnished Bronze and Alloy Metallic accents fill in the rest.

Heated and cooled, 10-way power, leather-trimmed front seats in Charcoal Black. Walnut swirl wood accents. Available equipment shown.

LINCOLN

ACTIVATE YOUR JOURNEY.

SYNC. Say the word. Voice-activated **Lincoln SYNC®** is an award-winning system that works with your paired Bluetooth®-enabled mobile phone and your digital media player. It provides hands-free calling, plays music, delivers Vehicle Health Reports and 911 Assist.™ With the touch of a button and voice commands, SYNC with **Traffic, Directions and Information** services provides turn-by-turn directions, personalized traffic alerts and more! **SyncMyRide.com** has the latest details.

*Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Traffic alerts and turn-by-turn directions available in select markets. Standard text messaging and data rates may apply.

Featuring a vibrant, easy-to-read LCD screen, the **Navigation System** utilizes easy voice activation for driving directions. And with nearly 10 gigabytes of storage for a **music jukebox and built-in photo gallery**, the system goes beyond functional to flat-out fun. An introductory 6-month subscription to **SIRIUS Traffic™** and **SIRIUS Travel Link™** provides continuously updated traffic, fuel prices, weather reports, movie listings, sports scores and more.

With **SIRIUS® Satellite Radio**, you'll enjoy an introductory 6-month subscription to over 130 channels including 100% commercial-free music, plus the best in sports, news, talk and entertainment. New for 2011, you can add The Best of XM at no charge.²

²Subscriptions for all SIRIUS services required after introductory 6 months expire and are governed by the SIRIUS Terms and Conditions available at SIRIUS.com. Some features are unavailable while driving. The Best of XM is available by calling 1-800-351-4517 for details.

With a state-of-the-art design that includes a wide range of connectivity choices, the **THX II Certified 5.1 Surround Audio System** in Lincoln Navigator powers your music with notable enthusiasm. Listen to your favorite artists from multiple sources, including digital media players, mobile phones, CDs, and a nearly 10-gigabyte hard drive jukebox. Enjoy true, studio-quality 5.1 surround sound from DVD-Audio discs. A center-channel **THX Slot Speaker™** array produces wide, spacious sound, while the 12-channel amplifier delivers 600 watts of power. In this acoustically optimized cabin, **14 speakers** (including an 8-in. subwoofer) make bass notes thump, drum beats pop and vocals resound with astounding clarity. Go ahead. Turn it up.

LINCOLN NAVIGATOR + L 2011

lincoln.com

LINCOLN

EMPOWER YOUR ENVIRONMENT.

1ST ROW. Heated and cooled, premium leather-trimmed driver and front-passenger seats provide 3 levels of warm and cool luxury, as well as **10-way power controls** for finding the perfect position. **Memory settings** for the power driver's seat, power-adjustable pedals, power-tilt steering column and power sideview mirrors can be programmed and recalled by 2 different drivers.

2ND ROW. 7 or 8 passengers? Standard seating for 7 gives 2nd-row passengers **reclining leather-trimmed, heated seats** and a large center floor console. For pass-through access to the 3rd row, a 2nd-row option without the center console is available. An **8-passenger configuration** features an available 2nd-row 40/20/40 split-folding bench seat with heated outboard seats. Choose the available **INVISION™ Headrest DVD System** and passengers can view individual DVD screens on the rear of the driver and front-passenger head restraints.

3RD ROW. With **best-in-class¹ leg room** of 37.7 in., the 3rd row in Navigator lets even adult passengers ride in style. Outlets for the **dual-zone electronic automatic temperature control** help keep them comfortable. If additional cargo space is required, a press of the buttons in the ample cargo area folds down each side of the standard **60/40 split PowerFold® 3rd-row seat**, creating a flat load floor with 54.4 cu. ft. of space to fill (86.3 cu. ft. in Navigator L).

CARGO CAPACITY. To access the spacious rear cargo area, the standard **power liftgate** of Lincoln Navigator opens and closes easily. Just press a button on the instrument panel, on your key fob, or in the rear cargo area. To utilize 103.3 cu. ft. of cargo space (128.2 cu. ft. in Navigator L), simply fold down the 2nd- and 3rd-row seats.

¹Class is Luxury Large SUVs.

Charcoal Black interior. Walnut swirl wood accents. Available equipment shown.

LINCOLN NAVIGATOR + L 2011

lincoln.com

LINCOLN

ENLARGE YOUR TERRITORY WITH NAVIGATOR L.

An additional 15.8 in. of length behind the PowerFold® 3rd-row seat gives you **another 24.5 cu. ft. of cargo space in Navigator L**. A standard Cargo Management System helps you organize that space. If your belongings include a boat, Navigator L 4x2 models allow you to tow up to 8,700 lbs.¹ when properly equipped; Navigator L 4x4 models up to 8,500 lbs!¹ A **tow/haul mode** in the 6-speed automatic transmission helps keep the vehicle from gaining too much speed while going downhill while towing. When going uphill, it helps the engine stay in its power band by holding the transmission gear for a longer time.

Standard **trailer sway control** works with standard AdvanceTrac® with RSC® (Roll Stability Control™) to monitor vehicle motion and, if necessary, takes measures to help bring Navigator and the trailer under control.² It's just one more facet of the compelling power of Lincoln Navigator.

¹Towing capacity for Navigator 4x2 – 9,000 lbs.; 4x4 – 8,700 lbs. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

LINCOLN

Ingot Silver Metallic. Available equipment shown.

ENHANCE YOUR PEACE.

Six standard airbags offer enhanced protection in Navigator and Navigator L. Driver and front-passenger coverage includes dual-stage front airbags and front-seat side airbags. All outboard passengers benefit from the **side-curtain airbags and rollover sensor** in the Safety Canopy® System. In certain types of side-impact or rollover events, side-curtain airbags deploy from the headliner to cover all 3 rows of the vehicle.

Also standard is **AdvanceTrac® with RSC® (Roll Stability Control™)**¹; the only electronic stability control system in the class with 2 gyroscopic sensors – one of which is a unique vehicle-roll motion sensor that directly measures the roll rate 100 times every second. Working in conjunction with the **Anti-Lock Brake System (ABS)**, traction control and yaw control, AdvanceTrac with RSC uses the roll rate and other information to automatically determine when and how it will apply individual brakes and/or modify engine power to help keep all 4 wheels well grounded.

Additional peace of mind comes from the standard **SOS Post-Crash Alert System™**² which becomes operational in the event of airbag deployment or safety belt pretensioner activation. If either of these occurs, the hazard lights flash and the horn sounds so that you and your passengers may be more easily located. In this case, drawing attention to yourself is a very good thing.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
²SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.

LINCOLN

Monochrome Appearance Package in Tuxedo Black Metallic. Available equipment shown.

LINCOLN NAVIGATOR + L 2011

lincoln.com

LINCOLN

On the available **Monochrome Limited Edition Package**, new Canyon leather-trimmed seats feature Charcoal Black piping. Other notable interior contents include a power moonroof, olive ash wood trim and an embroidered Lincoln Star in Charcoal Black on all head restraints.

New this year, standard **HD Radio™** technology presents your favorite AM and FM stations in crystal clear digital sound. It also gives you local HD2-HD3 channels, on-screen information and much more.

With the standard **new 110-volt AC outlet** located on the back of the front center console, passengers can easily recharge their laptop or other small electronic devices.

LINCOLN NAVIGATOR + L 2011

lincoln.com

LINCOLN

The vibrant 6.5-in. screen of the standard Navigation System displays the image from the **rear view camera** whenever Navigator is put in Reverse. Sight lines even give you a handy reference point as you slowly back up.

Standard **power-folding, heated sideview mirrors** provide additional clearance in tight spaces. Built-in turn signal indicators announce your lane changes, while an auto-dimming feature on the driver's side helps reduce glare from vehicle headlamps. Memory settings can be programmed and recalled by 2 different drivers.

A standard **Cargo Management System** in Navigator L helps you manage its additional 24.5 cu. ft. of cargo space. With the handy panel divider, you can split the space for convenient bi-level storage.

STANDARD LUXURY FEATURES: Rapid Spec 100A

ENGINE

5.4L SOHC 3-valve V8 FFV
310 hp @ 5,100 rpm/365 lb.-ft. of torque @ 3,600 rpm
28-gallon fuel tank

DRIVETRAIN

6-speed automatic transmission with tow/haul mode
Rear-wheel drive (RWD)

WHEELS | TIRES

18-in. 7-spoke aluminum wheels with 17-in. steel spare

BRAKES

Power 4-wheel disc brakes with Anti-Lock Brake System (ABS)

FORD CREDIT Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Lincoln Mercury Dealer for details or check us out at fordcredit.com.

FORD MOTOR COMPANY INSURANCE SERVICES Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1.877.367.3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

FORD EXTENDED SERVICE PLAN For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Genuine Lincoln Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 4-year/50,000-mile New Vehicle Limited Warranty. Contact your local Lincoln Mercury Dealer for details and a copy of the limited warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. Lincoln Licensed Accessories are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Lincoln Mercury Dealer for details regarding the manufacturer's limited warranty and/or a copy of the LLA product limited warranty offered by the accessory manufacturer.

Complimentary maintenance makes driving your Lincoln even more of a pleasure. Simply bring it to an authorized Lincoln service center, and scheduled maintenance will be performed at no charge throughout your first year of ownership or 15,000 miles, whichever comes first. Additional peace of mind comes from a 4-year/50,000-mile bumper-to-bumper New Vehicle Limited Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile Powertrain Limited Warranty which features no deductible and is fully transferable. And Roadside Assistance for 6 years or 70,000 miles provides the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Lincoln Mercury Dealer will provide complete details on all of these privileges.
