

## YOUR BUSINESS NEEDS A TRUCK YOU CAN RELY ON

When you need a truck that gets the job done and is always ready for the next one, a truck that leaves worry behind, the International® DuraStar® is a no-brainer.

DuraStar is now available with the broadest range of diesel engine options – including the Cummins ISB6.7, the best-selling medium duty engine in the industry, the MaxxForce 7, MaxxForce 9 and MaxxForce DT – in several horsepower and torque ranges.

DuraStar comes with the Diamond Logic® electrical system bringing the brainpower, flexibility and convenience of advanced electronics to the truck's electrical system, making the vehicle easier to use and maintain.

DuraStar is a hard-working, versatile truck that will help you get the most out of your business.
