

SUBURBAN 2021

CHEVROLET 

Suburban High Country in
Midnight Blue Metallic.

IT'S EVERYTHING FOR EVERYONE.

Reimagined everywhere that matters, the most versatile and advanced Suburban ever fits perfectly in your world. The longest-selling full-size SUV is more spacious, with increased second- and third-row leg room and up to 144.7 cu. ft. of maximum cargo volume.¹ It's forward-thinking, with available features like an innovative Rear-Seat Media System and a Power Sliding Center Console. And it's capable in the real world, with an available Four-Corner Air Ride Adaptive Suspension and three available powertrains.² Add in a combination of more than 25 standard and available safety features and driver assistance technologies,³ plus the type of interior luxury only the All-New Suburban can deliver, and you'll see it isn't just bigger. It's life-sized.

FIND NEW ROADS™

¹ With second- and third-row seats folded flat. Cargo and load capacity limited by weight and distribution. ² Duramax 3.0L Turbo-Diesel I-6 engine is late availability. ³ Read the vehicle Owner's Manual for important feature limitations and information.

MODELS

HIGH COUNTRY

When you think you've reached the top, keep climbing.

High Country starts with the lofty standards set by Premier, and then keeps heading to the mountain peak. Take the standard 6.2L EcoTec3 V8 engine, the exclusive grille with Galvano finish and Godric accents, and the 22-inch Sterling Silver-painted wheels with chrome inserts as just a few examples.

Adding Rear Pedestrian Alert¹ and HD Surround Vision¹ takes Suburban High Country to new heights, as do the standard 15-inch diagonal multi-color Head-Up Display and Rear Camera Mirror¹ with full camera display.

¹ Read the vehicle Owner's Manual for important feature limitations and information.

INTERIOR DESIGN

EXPERIENCE LIFE IN FIRST CLASS.

Suburban High Country interior in Jet Black with heated and ventilated front bucket seats with perforated leather seating surfaces.

Through the use of varied seating materials, colors, stitching, door inserts and more, **each Suburban is distinct**, providing a different interior experience depending on the trim you select.

Everything is intelligently designed and logically placed, including the easy-to-navigate **10.2-inch diagonal**

HD color touch-screen and new premium Electronic Precision Shift Transmission located on the instrument panel.

Luxury begins with the leather-wrapped steering wheel. **Perforated leather seating surfaces in the front and second row** and heated front seats are added to LT and above.

Premier and High Country elevate your experience with the addition of **ventilated front seats** for comfort in any climate, as well as a heated steering wheel and heated second-row outboard seats.

Auto Temp, standard on Premier and High Country, automatically activates the heated or ventilated seats to the

level required by the vehicle's interior temperature setting. It will even begin warming your heated steering wheel.

Front-seat passengers will have **intelligent storage solutions** at their disposal, including a cubby next to the touch-screen display that's perfect for sunglasses, a mobile device or other small items.

CARGO MANAGEMENT

OPEN UP A WORLD OF POSSIBILITIES.

With a cavernous **144.7 cu. ft. of maximum cargo space**¹;² there's no telling just how much adventure you can pack in. There's even 41.5 cu. ft. of space behind the third row²

You can easily switch from passenger space to cargo space and back again with **power-release second-row seats and power-folding third-row seats**. Standard on Premier and High Country; available on LT, RST and Z71.

Large rear door openings combine with fold-and-tumble second-row seats to provide **easier entry and exit for third-row passengers**. The second row folds flat and close to the floor for enhanced usability and cargo space.

When you push and hold the button, the available **Power Sliding Center Console** slides rearward up to 10 inches, offering an expansive storage area, as well as a hidden storage drawer that can be secured when Valet mode is selected.

¹ With second- and third-row seats folded flat. ² Cargo and load capacity limited by weight and distribution.

¹ Requires 2WD. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ² Requires available Max Trailering Package. ³ EPA estimated 2WD. EPA-estimated MPG city/highway: 16/20 (2WD), 15/19 (4WD). ⁴ EPA estimated 2WD. EPA-estimated MPG city/highway: 15/20 (2WD), 14/19 (4WD). ⁵ Late availability. ⁶ Excludes other GM vehicles. ⁷ EPA-estimated MPG city/highway: 5.3L EcoTec3 V8 16/20 (2WD), 15/19 (4WD); 6.2L EcoTec3 V8 15/20 (2WD), 14/19 (4WD).

The GM-exclusive⁶ available Duramax[®] 3.0L Turbo-Diesel I-6 (late availability) offers 277 horsepower and 460 lb.-ft. of torque. The 5.3L EcoTec3 V8 provides 355 horsepower and 383 lb.-ft. of

torque, while the available 6.2L EcoTec3 V8 generates 420 horsepower and 460 lb.-ft. of torque. A 10-speed automatic transmission with Electronic Precision Shift is standard.

Dynamic Fuel Management is included on both the 5.3L and 6.2L EcoTec3 gas engines. A sophisticated control system continuously monitors every movement of the accelerator pedal and calculates exactly how much torque is needed to

handle the current driving condition. Nearly instantaneously, the system activates or deactivates cylinders in an industry-first 17 different patterns to help maximize fuel economy⁷ and create the power needed.

Choose Off-Road, available on 4WD models, via the Driver Mode Selector and the available Four-Corner Air Ride Adaptive Suspension will automatically raise the vehicle to improve ground clearance!¹

Select ride height for the available Four-Corner Air Ride Adaptive Suspension on the 8-inch diagonal enhanced Driver Information Center.

The independent rear suspension can be paired with available Magnetic Ride Control² and Four-Corner Air Ride Adaptive Suspension.

¹ Requires available 4WD. ² Standard on Premier and High Country; available on Z71.

CAMERA TECHNOLOGIES

Rear Camera Mirror An available dual-function camera-based rearview mirror provides a wider, less-obstructed field of view than a traditional rearview mirror.

Surround View Gives a top-down bird's-eye view of the vehicle's surroundings.

Front Camera View Displays a front view with available guidelines to assist with parking and tight maneuvers.

TAKE A LOOK AROUND.

The 2021 Suburban offers up to **nine available camera views** to help make it easier to pull into tight spaces, back into a garage or hitch a trailer – all while providing confidence when you drive.

Views enabled by these cameras are easily accessed by selecting the Camera App on the touch-screen display. Conveniently, certain views can be launched through the **Advanced Trailering System**.

Safety starts with you. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

Rear Camera View Displays a rear view to assist with parking and tight maneuvers.

Front Side View Shows the position of the front tires when parking and during tight maneuvers.

Front Top-Down View A top-down view of the hood, bumper and front tires for tight maneuvers in parking lots or along curbs.

Rear Side View Provides a line of sight down each side of the vehicle.

Rear Top-Down View Shows the clearance between the rear of the vehicle and nearby objects.

Hitch View Provides a close-up view of the receiver hitch to help with alignment when connecting to a trailer.

SAFETY AND DRIVER ASSISTANCE

Adaptive Cruise Control. While you steer, this feature can automatically maintain a driver-selected gap time from the detected vehicle you're following. Available on Premier and High Country.

Front Pedestrian Braking. At speeds below 50 mph, this feature can help you avoid or reduce the severity of a front-end collision with a pedestrian it detects directly in front of you. It provides pedestrian alerts and can even automatically provide hard emergency braking or enhance the driver's hard braking. Limited nighttime and low-visibility performance. Standard on all models.

Automatic Emergency Braking. At speeds below 50 mph, this feature works with Forward Collision Alert to help you avoid or reduce the severity of a front-end collision with a detected vehicle you're following by automatically providing hard emergency braking or enhancing the driver's hard braking. Standard on all models.

Enhanced Automatic Emergency Braking. This feature works with Forward Collision Alert to help you avoid or reduce the severity of a front-end collision with a detected vehicle you're following by automatically providing hard emergency braking or enhancing the driver's hard braking. Available on Premier and High Country.

Lane Keep Assist with Lane Departure Warning. Uses a brief, gentle steering wheel turn to alert you when you may be unintentionally drifting out of detected lane lines, so you can steer to stay safely in your lane. If needed, you may receive additional Lane Departure Warning alerts. System alerts do not occur if you are using your turn signal or it detects that you may be intentionally leaving your lane. Standard on Premier and High Country; available on all other models.

Lane Change Alert with Side Blind Zone Alert. This feature can provide side mirror visual alerts when a detected moving vehicle is quickly approaching or is in your side blind zone. Standard on Premier and High Country; available on all other models.

Rear Pedestrian Alert. Rear Pedestrian Alert can help alert you to detected pedestrians directly behind your vehicle so you can quickly take action. The system works when you're in Reverse during the daytime. It has limited nighttime and low-visibility performance. Standard on High Country; available on LT, RST, Z71 and Premier.

Forward Collision Alert. Can warn you if it detects a potential front-end collision with a vehicle you're following. It can also provide a tailgating alert if you're following much too closely. Standard on all models.

Following Distance Indicator. This feature can display the gap time in seconds between your vehicle and a detected vehicle. Standard on all models.

HD Rear Vision Camera. This standard feature provides an image of the area directly behind your vehicle when traveling in Reverse at low speeds.

Rear Cross Traffic Alert. This feature can warn you of detected left or right cross traffic behind your Tahoe when in Reverse. Standard on Premier and High Country; available on all other models.

Rear Camera Mirror. Rear Camera Mirror uses a camera to provide you with a wide and less obstructed view behind the vehicle while you're driving. You can switch between the camera view and a traditional rearview mirror. Standard on High Country; available on Premier.

Front and Rear Park Assist. Front and Rear Park Assist can provide distance alerts to nearby detected objects in front of or behind your vehicle to help you park and avoid collisions at low speeds. Standard on Premier and High Country; available on all other models.

IntelliBeam® Can automatically turn the vehicle's high beam headlights on and off according to surrounding traffic conditions. Standard on all models.

Available features shown.

1 A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. **2** Not compatible with all devices. **3** Chevrolet Infotainment System functionality varies by model.
