(*) The declared fuel and energy consumption figures are determined by testing under standardised laboratory conditions to comply with ADR 81/02. Real world energy consumption is influenced by many additional factors such as individual driving style, load, traffic, ambient temperature and vehicle condition. The declared energy consumption figure should only be used for the purpose of comparison amongst vehicles. (**) Towbar fitment not permitted.

^5 year warranty is applicable to new and demonstrator S-Class models for 5 years from the date of first registration of the vehicle. Warranty start time may differ for demonstrator vehicles. Commercial application of vehicle is subject to 5 years from first registration date or 200,000km (whichever occurs first). Battery warranty periods vary. Excludes customers with specific warranty arrangements with Mercedes-Benz. Driving at excessive speeds, engaging in competition or motor sports or exceeding the vehicle's capacity in regards to use, application or load is not covered under warranty. For full terms, conditions and exclusions please refer to the warranty statement here [mercedes-benz.com.au](https://www.mercedes-benz.com.au).

Standard Features

S450 4MATIC

Exterior Features

Electric roller sunblind for rear window

(*) Traffic Sign Assist is a driver assistance aid only and may not be accurate in all instances. The driver at all times remains solely responsible for monitoring the driving environment and observing all traffic and / or speed signs as well as complying with all applicable road rules. In particular, when accepting the displayed speed restriction when Active Distance Assist DISTRONIC, cruise control, or the speed limiter is activated, it is the driver's responsibility to adjust the speed of the vehicle in accordance with the designated speed limits. (**) Leather upholstery may contain some areas upholstered with synthetic ARTICO material to increase durability and reduce long-term wear and tear. (***) Phone and internet compatibility, connectivity and capabilities differ between devices, markets and vehicles. Check the compatibility of your device and vehicle in Australia at www.mercedes-benz-mobile.com. Data plan required for internet connection. (****) Feature only compatible with devices that support or can be upgraded to support the Qi standard. Check the compatibility of your device and vehicle in Australia at www.mercedes-benz-mobile.com or with your device manufacturer. (1) This service is available to you free of charge for a period of three (3) years after registering in the Mercedes me Portal and is subject to specific device, connectivity and technical requirements. Please refer to the Mercedes-Me Connect terms and conditions via the app for more information.
